

Dear Merchants,

Sorry for the confusion. QuickBooks updated their software and now your invoices come from quickbooks@notification.intuit.com. The subject line will be Invoice (and a number) from Christmas Village. I have checked and all invoices have been delivered. If you cannot find your invoice, please search Christmas Village in the subject and locate it. They were all emailed early Monday morning, July 11th. Balances are due in full 7/31/2022, with late fees incurred after that.

Please email with any questions or concerns!

Thanks so much!

Ann McKinney
Merchant Contracting Chairman
